Inspirada na **ALEGRIA** da natureza, a coleção **VIVA** oferece a **LIBERDADE** de brincar com **CORES** e padrões para criar ambientes internos e externos que nos fazem sentir mais próximos de nossa essência. Soltos, separados, juntos ou harmonizados, desenhos, texturas e matizes enriquecem e envolvem materiais que emanam **AMOR, LEVEZA**, cuidado e proteção.

Vestindo o **ACQUABLOCK**, o mais versátil dos tecidos de decoração interna e externa, a coleção **VIVA** materializa uma percepção de bem-estar que nos acolhe, fortalece, ativa e nos dá mais vida.
